

Hand Sanitizer Towelettes

FEATURES

- Kills 99.9% of germs
- Effective skin sanitizing formula
- Reduces cross-contamination risks
- Convenient replacement for alcohol gels
- White, non-textured towelette
- Can be used where soap and water are not available

APPLICATIONS

- Kills and removes disease-causing germs and bacteria from skin

HANDLING

Do not handle, store or open near an open flame, sources of heat or sources of ignition. Protect material from direct sunlight. When using do not smoke. Explosion-proof general and local exhaust ventilation. Take precautionary measures against static discharges. All equipment used when handling the product must be grounded. Use non-sparking tools and explosion-proof equipment. Avoid prolonged exposure. Wear appropriate personal protective equipment. Observe good industrial hygiene practices.

STORAGE

Keep away from heat, sparks and open flame. Prevent electrostatic charge build-up by using common bonding and grounding techniques. Store in a cool, dry place out of direct sunlight. Store in tightly closed container. Store in a well-ventilated place. Keep in an area equipped with sprinklers. Store away from incompatible materials (see Section 10 of the SDS).

DISPOSAL

Collect and reclaim or dispose in sealed containers at licensed waste disposal site. Incinerate the material under controlled conditions with local/regional/national/international regulations.
